“Learn how to use your Knitleader or Knit Radar”

Understand the proper installation of your Brother/KnitKing Knitleader KL116 or Silver Reed/Studio Knit Radar, or one that is built into your knitting machine. Learn how to determine your knitting gauge, set the regulators, draw and insert a pattern, and read the stitch measure scale. Then you will learn the procedure for making the garment. If you test drive a Knitleader or Knit Radar you may apply the rental fee towards a purchase of one.
