INTRODUCTION TO MACHINE KNITTING REGISTRATION FORM

One Introductory Lesson is available on current knitting machines and/or knitting machines in which parts are available. We encourage you to take this lesson to better determine which gauge and model knitting machine you wish to purchase. If you already have own a knitting machine, prior to registration you must bring in your machine for inspection for possible maintenance and/or repair service. This lesson will begin only after inspection and/or repairs are made. Your introductory lesson will be given on your knitting machine.
